*Bryan Turner*  
*I.T. – Network Administrator*

*(Poughkeepsie, New York – July 8, 2009)* --- Riverside Bank announces the appointment of Bryan Turner as I.T. – Network Administrator. Mr. Turner has been working in the technology field since 2005. His most recent position was Systems Administrator at Plainfield Asset Management, Greenwich, Connecticut.

"We are pleased to have Bryan join the Riverside Team," said David MacFarland, President & CEO of Riverside Bank." Bryan has a strong background in the information technology field, and will be good addition to our Riverside Bank Staff."

Mr. Turner has a B.A.A. in Management Information Systems from Western Connecticut State University in Danbury, Connecticut in 2006 and resides in Pawling, New York.
